Grievances are defined as set forth in the Los Angeles Administrative Code Section 22.818.

"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by Arnold Mooradian 3-3-17 regarding Sunland-Tujunga Neighborhood Council."

I live directly behind Pinewood Petrol. On 2 occasions a lady identified herself as Patti has come to my home to speak to us regarding this project at the gas station. On the first visit I was not home and Patti spoke to my ^{mother in} ~~mother~~ law. She was very rude to my mother in law and told her that it was tacky to have furniture out in front of my home for the city to pick up. On the second visit Patti introduced herself to me and told me I didn't want a car wash behind my home. I told her I support the project. Her demeanor changed immediately and she was more gruff and rude. (see BACK)

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

to the point I said we were done with our conversation.

Again when ~~we~~^{she} left she made rude comments about my home. I wanted to attend the meeting with the people of pinewood gettolem, but I had to leave town for work. I left a written declaration of support with Arnold Mooradian to show the ~~land we ~~support~~~~ LUC. It was relayed to me when I returned that the LUC implied I was paid to write about my support which is totally false.

I one Sunday saw the lady I know as Patti go to ~~every~~ every home except mine and post about a up and coming meeting by the LUC. Some time before the meeting a woman who called herself Cyndi came to my home and spoke to my wife. She told my wife we did not want to live behind a car wash. My wife told her we support this project. She changed her attitude and left again making comments about my home. Arnold Mooradian is a great neighbor and even better man. He is honest and forth right with me and my family about this project. He has contacted me at every ~~phase~~ phase of his project.
