Grievances are defined as set forth in the Los Angeles Administrative Code Section 22.818.

"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by Judy Price on August 29, 2017 regarding Studio City Neighborhood Council."

I attended the SCNC Board Meeting August 2, 2017, where Judy Price was interrupted numerous times during her two minutes. She was verbally bullied by board members President Denise Welvang, Alex Izbicki, Craig Radow and stakeholders.

Judy comments were pertaining to Item 7 with regard to board members' possible requirement to recuse themselves. President Welvang aided and abetted a hostile environment and did a disservice to Judy while she attempted to read her comments. Judy was not given back the time used to interrupt her, but she continued to the end of her prepared remarks. Half way through Judy's comments the camera zoomed in on her and no other speaker. Her comments were no longer being transmitted over the speakers in the meeting room, although her comments and the heckling can be heard on the video available at YouTube Studio City Neighborhood Council. All other stakeholders were allowed to complete their comments, some several minutes after the buzzer went off.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
