The Neighborhood Council Grievance process is, in general, authorized to address alleged violations of the Neighborhood Council's rules, Los Angeles City ordinances regarding the Neighborhood Council system, Neighborhood Council funding rules from the City Clerk, or policies of the Department of Neighborhood Empowerment or Board of Neighborhood Commissioners. The jurisdiction of complaints that are reviewed under the Neighborhood Council Grievance process is limited in scope. For example, the Neighborhood Council Grievance process is prohibited from addressing allegations against individual board members or addressing violations of State or Federal law. In this case, the grievance alleges a potential conflict of interest of an individual board member, which is, not an appropriate matter to be resolved under the Neighborhood Council Grievance process. Accordingly, this grievance is dismissed and will not be forwarded to the Wilmington Neighborhood Council for further action. Although the grievance will not be processed through the Neighborhood Council Grievance process, the Project Coordinator for the Wilmington Neighborhood Council has been made aware of the situation and will communicate your concerns to the board.
