Grievances are defined as set forth in the Los Angeles Administrative Code Section 22.818.

"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by Christina Khanjian on June 15, 2018 regarding Los Feliz Neighborhood Council."

As a Los Feliz Neighborhood Council (LFNC) Governing Boardmember, and Executive Committee officer, I subscribe to various "listserve" distribution systems including Los Angeles' Early Notification System (ENS), as well as being on all of the Governing Board's various e-mail distribution lists.

I neither recall receiving any electronic notifications of any kind, nor can I find any record of unread electronic communications announcing a meeting of the LFNC's "Ad hoc Committee on Housing Affordability" including one for May 17, 2018. Further, I regularly pass LFNC's posting place, where I take specific note of agenda postings there and I am certain there was no physical agenda posting for this ad hoc committee in the days leading up to, and on May 17, 2018 itself.

Finally, I can say with certainty there wasn't a meeting agenda posted on the LFNC's website making this meeting generally known to the public, in addition to the lack of a physical agenda posting I observed

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct.
