---

All challenges are first reviewed by Independent Election Administrators to determine if it meets the election challenge criteria in the 2016 Election Manual. The criteria includes the following: 1) stakeholder voter verification for standing to file the challenge 2) timely submittal, and 3) challenge fits under challengeable categories, meeting documentation and impact requirements, i.e. the supporting documentation must prove that the alleged challenge is not only valid, but would also have made a difference in the election outcome.

Your challenge was reviewed by the following Independent Election Administrators:

- 1) Molly Taylor
- 2) Andy Chung
- 3) Tom Meredith

After reviewing your election challenge, the Independent Election Administrators have determined that you have not raised a challenge authorized by the 2016 Election Manual because per the Poll Manager, Mrs. Brunchy was not within 100 feet of the Polling Place.

Challenge 60 is therefore dismissed.
