## Election Challenge Determination

**Challenger Name:** Miriam Urrita-Clark

**Neighborhood Council:** Coastal San Pedro Neighborhood Council

**Challenge Number:** 45,46,47

**Challenge Basis:** Campaign Material Issues, Observer/Media Issues

**Date of Review:** May 17, 2016

---

All challenges are first reviewed by Independent Election Administrators to determine if it meets the election challenge criteria in the 2016 Election Manual. The criteria includes the following: 1) stakeholder voter verification for standing to file the challenge 2) timely submittal, and 3) challenge fits under challengeable categories, meeting documentation and impact requirements, i.e. the supporting documentation must prove that the alleged challenge is not only valid, but would also have made a difference in the election outcome.

Your challenge was reviewed by the following Independent Election Administrators:

- 1) Molly Taylor
- 2) Terrence Gomes
- 3) Brett Shears

After reviewing your election challenge, the Independent Election Administrators have determined that you have not raised a challenge authorized by the Election Manual because not enough evidence was presented. In looking at the [www.coastalneighbors.org](http://www.coastalneighbors.org) website, Shannon Ross's picture does have any proof that the neighborhood council logo or the City seal was used to campaign with. In the screen shot that was submitted in your challenge, the picture does not clearly indicate that the council logo or City seal was used.

Challenge 45 is therefore dismissed.

Challenge 46 and Challenge 47 are duplicates of Challenge 45.
