Challenges are covered in the Los Angeles Administrative Code Section 22.818.

"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by Helene Schpak on 5/25/2016 regarding Glassell Park Neighborhood Council."

Here's what I saw:

When I attended the pop-up poll on Friday, May 20th, 2016, I was sitting waiting to vote and I witnessed Gladys sitting at the table where people were voting and she kept talking to them, even though the election worker kept asking her to leave. It was mentioned to Gladys she could not talk to people while they were voting, and despite this, she sat there while the man before I voted was voting, and she said to him, "no, don't vote for anyone else, only vote for me and these other two people" while pointing at the iPad he was voting on, and the election worker reminded her she wasn't supposed to be doing this, but she simply ignored the requests to stop.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. I understand that all information on this form is public record.
