The criteria includes the following: 1) stakeholder voter verification for standing to file the challenge 2) timely submittal, and 3) challenge fits under challengeable categories, meeting documentation and impact requirements, i.e. the supporting documentation must prove that the alleged challenge is not only valid, but would also have made a difference in the election outcome.

Your challenge was reviewed by the following Independent Election Administrators:

- 1) Andy Chung
- 2) Terrence Gomes
- 3) Brett Shears

After reviewing your election challenge, the Independent Election Administrators have determined that you have not raised a challenge authorized by the Election Manual because challenges in which there is an Error in Voting Instructions is not challengeable per the 2016 Election Manual.

Challenge 52 is therefore dismissed.
