Challenges are covered in the Los Angeles Administrative Code Section 22.818.

"The following information contained herein is within my own personal knowledge and relates only to facts and circumstances surrounding the Grievance submitted by Deborah Lee on 6-15-2016 regarding Harbor Gateway North Neighborhood Council."

1) On the "unofficial canvass of votes" for the Harbor Gateway North board election, the Community Organization Representative position lists Bryan Davis and Rosalie Preston, instead of Bryan Davis and Deborah Lee.

2) The number of votes listed for each of the candidates for the Community Organization Representative position totals together 142, which seems unrealistically high. For the other Neighborhood Council board seats that all stakeholders could vote for, the vote totals are 126, 131, and 133. Given that the company overseeing the online voting did not list Deborah Lee on the "unofficial canvass of votes," I wonder how we can trust that the actual number of votes for each of the candidates for the Community Organization Representative position were accurately recorded.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct. I understand that all information on this form is public record.
