5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the currently sitting Board members. The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.

e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.
