Each Director’s absence is recorded in the LA-32 NC meeting minutes, and once a Director has missed the required number of Board meetings for removal, the LA-32 NC President must provide notice to that Director that his/her seat has been declared vacant.

Prior to the item being placed on the agenda, the President must consult with the City Attorney for guidance on the removal process. Expulsion from the Board will not affect Stakeholder status.

Section 8: Censure – The purpose of the censure process is to place a Board member on notice of misconduct and to provide the Board member with an opportunity to correct the misconduct. The Neighborhood Council (“Neighborhood Council”) may censure any Board member at a regular or special meeting open to the public following a good-faith determination by the Neighborhood Council Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. Grounds for censure include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board’s bylaws or rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal process by acting in bad faith.

The Board shall use the following procedure when censuring a Board member:

1. A motion to censure a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The notice shall provide the specific facts and grounds for the proposed censure as specified in 1

above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to the meeting at which the motion to censure will be considered.

4. The Board member subject to censure shall be given a reasonable opportunity to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion of censure.

5. The Board shall decide by a majority vote of those present and voting whether or not the Board member should be censured. The Board member who is the subject of the censure motion shall not be counted as part of the majority present and voting and shall not be allowed to vote. For the purpose of censure motions, abstentions shall not be counted as votes.

6. In no event shall a motion to censure a board member be heard by the Neighborhood Council within sixty (60) days of the next scheduled Board election or selection.

Section 9: Removal of Directors – Any Board member may be removed by the Neighborhood Council (“Neighborhood Council”) for cause, following a good faith determination by the Board that the member has engaged in conduct that is contrary to rules and regulations applicable to the Board or that impedes the orderly business of Board operations. A Board member shall not be subject to removal under this Policy, unless the member has been censured at least once pursuant to the Board of Neighborhood Commissioners’ (“Commission”) Censure Policy. Grounds for removal include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board's bylaws or standing rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal processes by acting in bad faith.

The Board shall use the following procedure when removing a Board member:

1. A motion to remove a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The proposed motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed removal action including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., “for alleged violations of the Code of Conduct” but shall contain factual statements that describes conduct only and is not intended to embarrass or humiliate the board member. The motion to remove shall also include a copy of the prior censure motion and the date it was passed.

2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall list and briefly describe the motion on the agenda of the next regular or special Board meeting scheduled at least thirty(30) days following the delivery of the proposed removal motion.

3. The Board member subject to removal shall be given a minimum of thirty (30) days prior written notice, which may include email sent to the last email address on file with the

Neighborhood Council, of any meeting at which a motion to remove will be heard. The notice shall provide the specific facts and grounds for the proposed removal as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to any meeting at which a motion to remove will be considered.

4. The Board member subject to removal shall be given reasonable time to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion for removal.

5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the currently sitting Board members. The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a Board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Commission may review a Neighborhood Council's removal decision if requested to do so by the affected Board member. Once the request is made for the Commission to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Commission has made a decision on whether the removal was proper or the Commission declines to review the matter. The Commission's decision whether to hear or decline to hear the removal review request shall be sent in writing to the requestor and the Neighborhood Council within 30 days after the request for review is delivered.

8. A request for the Commission to review a Neighborhood Council's removal decision shall proceed as follows:

a. The request must in writing and must be delivered to the Executive Assistant of the Commission or, in the absence of an Executive Assistant, to the President of the Commission within thirty (30) days of the date of the action by the Neighborhood Council to remove the Board member.

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council but must address only procedural deficiencies.

c. If the Commission determines the request for review raises sufficient questions regarding procedural deficiencies and agrees to hear the review, it will be placed on the agenda of a regular or special meeting of the Commission within sixty (60) days of receipt of the request for review.

d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.

e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.

f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.

g. During the period of appeal the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions.

h. If the matter is returned to the Neighborhood Council for further consideration the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions until the Board takes action as requested by the Commission or until the expiration of the sixty (60) day time period.

9. This policy is not intended to restrict or eliminate a Neighborhood Council's ability to remove or render ineligible to serve, Board members who fail to attend meetings, join committees, maintain their stakeholder status, or perform other duties as may be described in the Neighborhood Council's bylaws and/or standing rules. Nor is it intended to limit a Neighborhood Council's ability to remove committee chairs or committee members according to the Neighborhood Council's bylaws and/or standing rules.

ATTACHMENT D – Board of Neighborhood Commissioners Website Posting Policy

RESOLUTION

Be it resolved that the Board of Neighborhood Commissioners creates the following policy:

NEIGHBORHOOD COUNCIL AGENDA POSTING REQUIREMENTS

WHEREAS, the Board of Neighborhood Commissioners established Working Groups comprised of current and past Neighborhood Council members and Neighborhood Council stakeholders to recommend changes to the Plan for a Citywide System of Neighborhood Councils;

WHEREAS, the Working Groups recognized stakeholders are increasingly using the internet and that it allows Neighborhood Councils to communicate with their stakeholders efficiently and inexpensively;

WHEREAS, the Working Groups recognized that any change in the physical posting policy should be accompanied by increased use of other media for outreach;

WHEREAS, the Working Groups recommended that the posting requirements for Neighborhood Councils be changed to require only one physical Brown Act compliant posting while maintaining the Board of Neighborhood Commissioners other outreach requirements;

WHEREAS, Section 902 (b) Article IX of the new Charter provides that the Board of Neighborhood Commissioners "shall be responsible for policy setting and policy oversight...and the promulgation of rules and regulations but not be responsible for day-to-day management."

NOW, THEREFORE, IT IS RESOLVED that the Board of Neighborhood Commissioners establishes this policy regarding the posting of agendas for Neighborhood Councils.

POLICY NUMBER: 2014-01

Neighborhood Councils are required to post meeting agendas for Board and Committee meetings as follows:

1. Neighborhood Councils shall post at least one Brown Act compliant agenda for all Board and Committee meetings. Any additional physical postings shall be within the Neighborhood Council boundaries and shall be Brown Act time compliant.
2. Neighborhood Councils shall post agendas of all Board and Committee meetings on their web site or, on a page made available to them on the EmpowerLA web site. Such postings shall be Brown Act time compliant.
3. Neighborhood Councils must submit a copy of all Regular and Special Board and Committee Meeting agendas to the Department of Neighborhood Empowerment (Department) to be posted through the Early Notification System (ENS). The agenda for regular meetings shall be submitted to the Department not less than 72 hours in advance of the meeting and the agenda for special meetings shall be submitted to the Department not less than 24 hours in advance of the meeting. As soon as feasible, the Department will submit the agenda for posting to the ENS system. Accordingly, posting the notices of meetings to the ENS system will not be required to comply with the Brown Act's time limits for posting agendas.
4. Neighborhood Councils that maintain an email list of stakeholders may email either a copy of the agenda for all Board and Committee meetings or an announcement of the meeting with a link to the agenda. Distribution to the email list will not be required to

comply with the Brown Act's time limits for posting agendas.

5. Neighborhood Councils shall inform the Department of (a) the physical location of their posting site, (b) the address of their web site, if any and (c) confirm with the Department whether they use a stakeholder database to distribute their agendas. Neighborhood Councils shall be required to submit this information on a form approved by the Department.
6. Neighborhood Councils that do not maintain a web site or, if available a page on the EmpowerLA web site shall continue to comply with the five (5) to seven (7) physical locations posting requirements imposed during their certification process; one (1) of the posting locations shall be Brown Act compliant; the remaining posting locations shall be within the Neighborhood Council boundaries and shall comply with Brown Act time limits for posting.
7. These posting requirements shall be appended to and become a part of the bylaws of all current and future Neighborhood Councils and any violation of this policy may become the subject of a grievance.
8. If a Neighborhood Council is notified by the Department prior to any Board or Committee meeting that a confirmed violation of this policy has been reported the Neighborhood Council shall repost in accordance with this Policy. If the scheduled meeting cannot be reposted in compliance with this Policy, the Neighborhood Council must cancel the meeting and make reasonable efforts to inform its stakeholders. If it becomes necessary to cancel Board or Committee meetings Neighborhood Councils are encouraged to contact the City Attorney for further guidance.
9. If a Neighborhood Council is found to be in violation of this Policy three (3) times within the current fiscal year the Board and any non-Director committee chairs will be required to take additional training as may be determined by the Department. If after receiving additional training the Neighborhood Council is again found to be in violation of this policy during the current fiscal year, then exhaustive efforts to remedy this matter, including loss of funding may be taken by the Department pursuant to Article VI section 4 and Article X section 3 of the Plan for a Citywide system of Neighborhood Councils.
