The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a Board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Commission may review a Neighborhood Council's removal decision if requested to do so by the affected Board member. Once the request is made for the Commission to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Commission has made a decision on whether the removal was proper or the Commission declines to review the matter. The Commission's decision whether to hear or decline to hear the removal review request shall be sent in writing to the requestor and the Neighborhood Council within 30 days after the request for review is delivered.

8. A request for the Commission to review a Neighborhood Council's removal decision shall proceed as follows:

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council but must address only procedural deficiencies.

c. If the Commission determines the request for review raises sufficient questions regarding procedural deficiencies and agrees to hear the review, it will be placed on the agenda of a regular or special meeting of the Commission within sixty (60) days of receipt of the request for review.

- d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.
- e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.
- f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.
- g. During the period of appeal the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions.
- h. If the matter is returned to the Neighborhood Council for further consideration the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions until the Board takes action as requested by the Commission or until the expiration of the sixty (60) day time period.
9. This policy is not intended to restrict or eliminate a Neighborhood Council's ability to remove or render ineligible to serve, Board members who fail to attend meetings, join committees, maintain their stakeholder status, or perform other duties as may be described in the Neighborhood Council's bylaws and/or standing rules.
