The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to the meeting at which the motion to censure will be considered.
4. The Board member subject to censure shall be given a reasonable opportunity to be heard at the meeting, either orally or in writing, prior to the Board’s vote on a motion of censure.

5. The Board shall decide by a majority vote of those present and voting whether or not the Board member should be censured. The Board member who is the subject of the censure motion shall not be counted as part of the majority present and voting and shall not be allowed to vote. A Board member shall not be subject to removal under this Policy, unless the member has been censured at least once pursuant to the Board of Neighborhood Commissioners’ (“Commission”) Censure Policy. Grounds for removal include, but are not limited to, persistent disruptive conduct at meetings, violations or abuses of the Board’s bylaws or standing rules, violations of the Code of Conduct, acting on behalf of the Board without authorization, and misuse or abuse of the censure or removal processes by acting in bad faith.

The Board shall use the following procedure when removing a Board member:

1. A motion to remove a Board member may be initiated by any three (3) Board members. Those Board members shall not constitute a majority of the quorum of any Neighborhood Council body, such as a committee. The proposed motion shall be delivered to any officer of the Board or a specific officer or member of the Board as may be specified in the bylaws or standing rules of the Neighborhood Council. The motion shall be in writing and provide the specific facts and grounds for the proposed removal action including the date(s) and specific conduct relied upon for the motion. The motion shall not be based upon conclusions, e.g., “for alleged violations of the Code of Conduct” but shall contain factual statements that describes conduct only and is not intended to embarrass or humiliate the board member. The motion to remove shall also include a copy of the prior censure motion and the date it was passed.

2. The Board member, group of Board members or committee responsible for setting the final Board agenda shall list and briefly describe the motion on the agenda of the next regular or special Board meeting scheduled at least thirty (30) days following the delivery of the proposed removal motion.

3. The Board member subject to removal shall be given a minimum of thirty (30) days prior written notice, which may include email sent to the last email address on file with the Neighborhood Council, of any meeting at which a motion to remove will be heard.

The notice shall provide the specific facts and grounds for the proposed removal as specified in 1 above. The Board shall also provide a copy of the notice to the Department of Neighborhood Empowerment a minimum of thirty (30) days prior to any meeting at which a motion to remove will be considered.

4. The Board member subject to removal shall be given reasonable time to be heard at the meeting, either orally or in writing, prior to the Board's vote on a motion for removal.

5. The Board shall decide whether or not the Board member should be removed by an affirmative vote of two-thirds (2/3) of the currently sitting Board members. The Board member who is the subject of the removal motion shall not be allowed to vote and shall not be counted when determining the two-thirds (2/3) majority vote. For the purpose of the removal motion, abstentions shall not be counted as votes.

6. In no event shall a motion to remove a Board member be heard by the Neighborhood Council within sixty (60) days of the next election or selection.

7. The Commission may review a Neighborhood Council's removal decision if requested to do so by the affected Board member. Once the request is made for the Commission to review the decision to remove, the Neighborhood Council voting to remove the board member may not fill the vacancy created by the removal until the Commission has made a decision on whether the removal was proper or the Commission declines to review the matter. The Commission's decision whether to hear or decline to hear the removal review request shall be sent in writing to the requestor and the Neighborhood Council.

8. A request for the Commission to review a Neighborhood Council's removal decision shall proceed as follows:

a. The request must be in writing and must be delivered to the Executive Assistant of the Commission or, in the absence of an Executive Assistant, to the President of the Commission within thirty (30) days of the date of the action by the Neighborhood Council to remove the Board member.

b. The request must state the basis for the review. The request shall not cite or present any evidence not considered by the Neighborhood Council but must address only procedural deficiencies.

c. If the Commission determines the request for review raises sufficient questions regarding procedural deficiencies and agrees to hear the review, it will be placed on the agenda of a regular or special meeting of the Commission within sixty (60) days of receipt of the request for review.

- d. At the review the Commission will determine if the facts as presented support the removal motion and if the procedures set out in this policy were correctly applied.
 - e. If the Commission determines that there were either factual or procedural deficiencies, the Commission may either reinstate the Board member or return the matter to the Neighborhood Council for further consideration.
 - f. If the Commission returns the matter for further consideration and the Neighborhood Council does not act within sixty (60) days of the Commission's decision the Board member will be considered reinstated.
 - g. During the period of appeal the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions.
 - h. If the matter is returned to the Neighborhood Council for further consideration the Board member shall not be counted as part of the Board for any quorum and shall not participate in any Board actions until the Board takes action as requested by the Commission or until the expiration of the sixty (60) day time period.
9. This policy is not intended to restrict or eliminate a Neighborhood Council's ability to remove or render ineligible to serve, Board members who fail to attend meetings, join committees, maintain their stakeholder status, or perform other duties as may be described in the Neighborhood Council's bylaws and/or standing rules. Nor is it intended to limit a Neighborhood Council's ability to remove committee chairs or committee members according to the Neighborhood Council's bylaws and/or standing rules.

ARTICLE XI GRIEVANCE PROCESS

Grievances Submitted by a Stakeholder

- B. Once the Department certifies the Grievance, the Board will be notified. Such certification of the Grievance by the Department shall not be construed as a statement regarding the validity or invalidity of the Grievance.
- C. After receiving a certified Grievance from the Department, the Board must, at its next regular or special meeting, but not more than 60 calendar days from the communication from the Department, take one of the following actions:
 - a. Consider the Grievance in accordance with a Grievance process specified in the Board’s Bylaws and issue a decision to sustain and cure or reject the Grievance in whole or in part; OR
 - b. Waive consideration of the Grievance and request the Department to forward the Grievance directly to a Regional Grievance Panel for consideration.

- D. Any inaction by the Board passing the 60 calendar days will waive consideration of the Grievance and the Department shall forward the Grievance to the Regional Grievance Panel in accordance with L.A.A.C. 22.818 Subsection (d)(5).
- E. Only the Grievant may appeal a Board's decision pursuant to L.A.A.C. 22.818 Subsection (d)(2)(A). Such appeals must be filed with the Department on the portal within seven (7) calendar days from the date of the Board's action on the certified Grievance. A Grievant may not appeal a decision by the Board to waive consideration of any or all Grievances.
- F. The EHNC grievance process is intended to address matters involving procedural disputes, such as the Board's failure to comply with approved EHNC Policies and Procedures and these Bylaws. It is not intended to apply to Stakeholders who disagree with a position or action taken by the Board at one (1) of its meetings. Instead, disagreements may be discussed publicly at Board meetings. The Neighborhood Council grievance review process will be conducted pursuant to any and all City ordinances, policies and procedures pertaining to Neighborhood Council grievances.

At the first regularly scheduled meeting after the election, a list will be compiled of Stakeholders who wish to serve on a grievance panel pursuant to CF-13-1689, and such list will be updated on an annual basis. Any grievance by a Stakeholder must be submitted in writing to the Board. Within fourteen (14) days after receiving a grievance, the Corresponding Secretary will coordinate a time and a place for the panel to meet with the person(s) submitting the grievance to discuss ways in which the grievance may be resolved. After hearing the grievance, the panel will discuss possible solutions and draft a recommendation for the Board. The Recording Secretary will add the grievance panel's recommendation to the agenda of the next regularly scheduled general meeting. The Board may receive a copy of the panel's report and recommendations prior to the meeting of the Board, but the matter shall not be discussed among the Board members until the matter is heard at a meeting of the Board pursuant to the Brown Act. The Board shall hear the grievance, the grievance panel's recommendation and shall either vote at that time on the matter or at the next regularly scheduled general meeting. A decision of the Board must be made within a sixty (60) day period.

This formal grievance process is not intended to apply to Stakeholders who simply disagree with a position or action taken by the Board at one of its meetings. Those grievances can be aired at all meetings. This grievance process is intended to address matters involving procedural disputes, e.g., the Board's failure to comply with these bylaws.

The Neighborhood Council grievance review process will be conducted pursuant to any and all City ordinances, policies and procedures pertaining to Neighborhood Council grievances.
